*hello bride-to-be!*

My name is Brittany and I am the founder and lead hairstylist at Brittany Silla Bridal. My bridal style has always been from a 'natural-elegance' approach. You need to be able to look back at your wedding photos and feel like your hairstyle complimented your dress without completely taking over your entire look. I want all of my brides to feel like an elevated version of themselves on their wedding day.

Thank you so much for reaching out to me about your wedding day! This is such an exciting time of your life, and I am honoured that you have considered me to help make your bridal vision come to life.
